CANCER SUPPORT COMMUNITY
A Global Network of Education and Hope

Melissa Reed Chudy was a dedicated, passionate woman whose desire to help young people was a driving force in her life. Melissa served as development director for the Amherst Youth Foundation and in years prior as a long-time member of the Amherst Youth Board. Her devotion to the community was inspiring to all. Even after being diagnosed with breast cancer, Melissa continued to come to work each day with enthusiasm and determination. Sadly, in 2006, Melissa lost her 18 month battle with breast cancer. Today, Melissa's hope, heart and vision remain the coffee house which now bears her name. Without Melissa, the coffeehouse project, and the creation of the Youth and Family Center would not have been possible.

In Melissa's Honor, the Amherst Youth Foundation will be hosting the 3rd Annual Walk for Melissa. Half of the proceeds will benefit Melissa's Coffee House while the other half will be donated to Glida's Club of WNY, whose mission is to create welcoming communities of free support for everyone living with cancer – men, women, teens and children – along with their families and friends.
